

# Playground Restoration Project

Leadership Modesto 2017- 2018 Class  
MODESTO CHAMBER OF COMMERCE

## Graceada Park "MODESTO'S CENTRAL PARK"

HEALTH | COMMUNITY | SAFETY

Leadership Modesto's 2017-18 class feels empowered to provide much needed improvements to Modesto's most cherished public space Graceada Park.

The children of Modesto deserve an age and ability appropriate playground. Replacing what was burned down by a vicious arsonist in 2015 will restore health, community and safety to the young people that need it the most.

This is a time when our community must come together to provide our children with a safe playground.

MODESTO CHAMBER OF COMMERCE

## The Achievable Goal

Raise \$60,000 + In-kind Donations

Purchase and install a new playground that serves the 5 year old and under while also providing access to children with special needs.
